

## Board Meeting

Date of Meeting	Monday 29 November 2021
Paper Title	Review of Governance Framework
Agenda Item	21
Paper Number	BM2-Q
Responsible Officer	Penny Davis, Board Secretary
Recommended Status	Disclosable
Action	For Noting

### 1. Executive Summary

**1.1** This report is produced annually (commencing 2020) to summarise changes to the legislative and regulatory framework within which the Board operates over the past year. It is presented to the Audit & Assurance Committee and shared with the full Board for information.

**1.2** There have been several minor changes in the past year. No compliance concerns are raised in the report.

**1.3** Since the Audit & Assurance Committee reviewed the report in October, it has been updated, including with reference to:

**1.3.1** Public Sector Bodies (Websites and Mobile Applications)(No 2) Accessibility Regulations 2018 which require Public Authorities to review access to digital information and publish a statement of accessibility. This was brought to the attention of the Audit & Assurance Committee on 5 October and is now being followed up to ensure compliance.

**1.3.2** Gender Representation on Public Boards (Scotland) Act 2018, under which the Scottish Government has implemented reporting arrangements as of 1 November 2021.

### 2. Recommendations

**2.1.** The Board is invited to **note** the report.

### **3. Background**

- 3.1.** Over the course of a year there are amendments to regulation and, occasionally, legislation, which have implications for GCRB's governance practice and reporting.
- 3.2** While such changes are reported individually at Committee or Board, as appropriate, by the Executive or Board Secretary, the following report brings together relevant changes into a single, summary chart, in the interests of ensuring that the Board has an overview of the range and scale of changes in the past year.
- 3.3** The report does not include an exhaustive list of all legislation and regulation that applies to GCRB, but covers areas that have greater relevance to its activities.
