### 1. Report Purpose

- 1.1.** To ensure the Board is informed of and content with regional arrangements in place for the Glasgow Colleges Regional Student Executive (GCRSE), and specifically with arrangements for the election of members to GCRB.

### 2. Recommendations

**2.1.** The Board is invited to:

- **review** the GCRSE Constitution;
- **approve** arrangements for student elections to GCRB in 2018;
- **endorse** the Constitution as a whole.

### 3. Background

- 3.1.** Under requirements introduced by the Post-16 Education (Scotland) Act 2013, student elections to a Regional Board must be conducted in accordance with rules approved by the Board, in consultation with the relevant students associations.
- 3.2.** The Education Act 1994 applies broader provisions to students associations of colleges, requiring boards to review and approve an association’s constitution every five years, and to ensure that it operates in a fair, democratic manner and is held accountable for its use of public funds. GCRSE is a representative body whose members are drawn from the three college student associations; as such, the 1994 Act does not apply to its relationship to GCRB. However, given that GRSE has an important role in relation to the region’s students and has developed a constitution, it should be considered appropriate, and in the spirit of the 1994 Act, for it to receive endorsement of its constitutional arrangements from GCRB, and for GCRB to satisfy itself that regional arrangements are sound and in the interests of the region’s students.

#### **4. Detail**

**4.1.** GCRSE has provided its constitution for the Board's consideration, at Annex A. With regard to the section on the election of members to GCRB, Members should note that the requirements in the 2013 Act are that:

- *The students' associations of the board's colleges are each entitled to nominate students for appointment.*
- *Where only two students are so nominated, those students are to be so appointed.*
- *Members are otherwise to be so appointed by being elected by the students of all the board's colleges from among the students so nominated.*

**4.2.** With regard to the constitution as a whole, Members are invited to endorse arrangements and provide any feedback they may consider beneficial.

#### **5. Risk Analysis**

**5.1** The report seeks to mitigate *GCRB Risk 0012: There is a breach of legislation/guidance/code of practice and this results in a failure of governance.*

#### **6. Legal Implications**

**6.1.** There are no specific legal implications arising from this paper.

#### **7. Resource Implications**

**7.1.** There are no specific resource considerations arising from this paper.

#### **8. Strategic Implications**

**8.1.** There are no specific implications for the Regional Outcome Agreement/Strategic Plan arising from this paper.
