# **FINANCIAL MEMORANDUM**

## **Introduction**

### **Purpose of this document**

1. This Financial Memorandum (FM) sets out the formal relationship between the Regional Strategic Body and the College and the requirements with which the College must comply in return for payment of grant by the Regional Strategic Body.
2. The FM also makes it a term and condition of grant from the Regional Strategic Body that the College complies with the requirements of the Scottish Public Finance Manual (SPFM) and sets out the special actions and derogations, which have been agreed with the Scottish Ministers. (DRAFT NOTE: this requirement only applies to incorporated colleges).

### **Compliance with the Financial Memorandum**

3. The responsibility for ensuring that the College complies with this FM rests with the governing body of the College. Questions about the interpretation of the FM may be raised with officers of the Regional Strategic Body.
4. Where the College's interpretation of the FM differs from that of the Regional Strategic Body, the Regional Strategic Body will seek, wherever possible, to reach agreement in a spirit of partnership with the College. However, the Regional Strategic Body's interpretation of this FM shall be final.
5. The Regional Strategic Body is required to comply with the Financial Memorandum with Fundable Bodies in the College Sector. The responsibility for ensuring that the Regional Strategic Body complies with this FM rests with the governing body of the Regional Strategic Body.

### **Effective date**

6. This FM shall take effect from ().

### **Structure of this document**

7. The FM is in three parts:
  - Part 1: defines the relationship between the Regional Strategic Body and the College and the responsibilities of each for the proper stewardship of public funds
  - Part 2: contains the general requirements that apply to the College
  - Part 3: contains additional requirements for incorporated colleges

## **Part 1: The relationship between the Regional Strategic Body and the College**

### **Responsibilities of the Regional Strategic Body**

1. The Regional Strategic Body has been established under the Further and Higher Education (Scotland) Act 2005 (the 2005 Act), including as amended by the Post-16 Education (Scotland) Act 2013, to support a regional approach to the planning and funding of college provision.
2. A Regional Strategic Body may make grants, loans or other payments to the governing bodies of colleges assigned to it for the provision of further education, higher education, research and related activities.
3. The legislation also confers certain duties and responsibilities on the Regional Strategic Body, including to exercise its functions with a view to securing coherent, high quality further and higher learning provision in the localities of its colleges, and monitoring the performance of its colleges.
4. In terms of the 2005 Act, the Regional Strategic Body may attach terms and conditions to the payment of grant made to its colleges. It is a term and condition of grant payment from the Regional Strategic Body that the governing body of the College and its designated officers comply with the requirements set out in this FM. In terms of the 2005 Act terms and conditions imposed may not relate to the application by the college of any sums which were not derived from the Scottish Funding Council. In terms of the 2005 Act, before attaching terms and conditions the Regional Strategic Body must, except where it considers that it is not expedient to do so, consult the college to which the payment is to be made and, if it considers it appropriate to do so, consult such persons as appear to it to represent the interests of the college or any class of them.

### **Accountability**

5. The Regional Strategic Body is accountable to the Scottish Funding Council (SFC) for the use of public funds provided to it by SFC under the terms of the relevant legislation.
6. SFC is accountable to the Scottish Ministers for the use of public funds provided to it under the terms of the relevant legislation.
7. The Chief Executive of SFC has been appointed as the Accountable Officer under the terms of the Public Finance and Accountability (Scotland) Act 2000 and is responsible and accountable to Scottish Parliament for ensuring that funds provided to SFC are used for the purposes for which they have been given, and in ways that comply with the conditions attached to them. The

Accountable Officer has a personal responsibility for the propriety and regularity of the public finances provided to SFC, and for ensuring that funding is used economically, efficiently and effectively.

8. The Chief Officer of the Regional Strategic Body is responsible and accountable to the SFC for ensuring that funds provided to the Body are used for the purposes for which they have been given, and in ways that comply with the conditions attached to them. The Chief Officer has a personal responsibility for the propriety and regularity of the public finances provided to the Regional Strategic Body, and for ensuring that funding is used economically, efficiently and effectively. The Chief Officer is appointed by the Regional Strategic Body's Board in terms of schedule 2B to the 2005 Act, as amended by the Post-16 Education Act 2013.

### **Assurance**

9. In order to meet his or her responsibilities, the Chief Officer of the Regional Strategic Body must be satisfied that the governing body of the College meets the requirements of this FM as a condition of receiving grant funding from the Regional Strategic Body. The Regional Strategic Body will therefore seek financial management and other information from the College but, as far as possible, will rely on data and information that the College has produced to meet its own needs. If further information is required, the Regional Strategic Body will make a specific request in the context of its commitment to efficient regulation.
10. Where the Regional Strategic Body has concerns or insufficient information to provide the assurance required, it will, in the first instance, seek to resolve matters with the chief executive officer of the College. Where this has not proved possible, or in the case of significant concerns, the Chief Officer of the Regional Strategic Body will inform the chair of the governing body and the College's chief executive officer in writing – and without delay – and will specify what action is required to address these concerns.
11. Where circumstances warrant it, the Regional Strategic Body's Chief Officer may suspend the payment of any or all grants to the College. The Strategic Body may also use its powers to attend and address a meeting of the governing body.

### **What the institution can expect of the Regional Strategic Body**

12. The Regional Strategic Body will conduct its affairs to high standards of corporate governance and public administration. It will maintain a complaints procedure and a separate appeals process for funding decisions.
13. The Regional Strategic Body will act reasonably on the basis of the fullest available evidence and objective analysis. Subject to any legal requirement to

observe confidentiality, it will be open and transparent with the College, and with other stakeholders, and will give or be prepared to give a public justification of its decisions.

14. The Regional Strategic Body recognises that the College is an autonomous body. The Regional Strategic Body will not substitute its judgments for those which are properly at the discretion of the College. In particular the Regional Strategic Body will seek to maximize the discretion of the College to use grants provided to it by the Regional Strategic Body.
15. In discharging its responsibilities, the Regional Strategic Body will seek to make regulation efficient and effective.
16. The Regional Strategic Body will seek at all times to work in a spirit of partnership with the College, including maintaining regular dialogue with the College and, where appropriate, its representative bodies. Representative bodies are defined as the representatives of any trade union recognised by any of its colleges, any other trade union which appears to the Regional Strategic Body to be representative of any staff of any of its colleges and the students' association of any of its colleges, as set out in section 23M of the 2005 Act. The shared aim of that partnership will be to work collaboratively to support the College deliver its strategic priorities and commitments in terms of the Regional Outcome Agreement with SFC, and to ensure that the Regional Strategic Body can deliver its regional priorities and undertake its statutory and other functions. The Regional Strategic Body recognises that the College may also undertake activities, and have to comply with legislation and regulation, which may fall outside the scope of this partnership.
17. The Regional Strategic Body will allocate and pay grant to the College in accordance with its current published policies and procedures and the published policies and procedures of the SFC. The College will be consulted in advance and given reasonable notice, of any significant change to these policies and procedures and of significant changes in overall funding levels. As a matter of good practice the Regional Strategic Body will provide the colleges with a reasonable period of notice of any in-year reduction or increase in grant; which period of notice will reflect the scale of the proposed change.

#### **The Regional Strategic Body's governance requirements of the institution**

18. The Regional Strategic Body must be able to rely on the whole system of governance, management and conduct of the College to safeguard all funds of the College deriving from the Regional Strategic Body and achieve the purposes for which those funds are provided.
19. The Regional Strategic Body requires the governing body of the College to comply with the principles of good governance set out in the Code of Good

Governance for Scotland's Colleges. The Regional Strategic Body also requires the governing body to ensure that:

- Public funds are used in accordance with relevant legislation, the requirements of this FM and only for the purpose(s) for which they were given. Strategic, Capital or other grant funding must only be used for the purpose for which it is provided by the Regional Strategic Body
  - Subject to any legal requirement to observe confidentiality, the College will be open and transparent with the Regional Strategic Body and other stakeholders, and will give, or be prepared to give, a public justification of its decisions in relation to the use of public funds
  - The College strives to achieve value-for-money and is economical, efficient and effective in its use of public funding
  - There is effective planning and delivery of the College's activities in accordance with its mission and its commitments to the Regional Outcome Agreement agreed with SFC
  - The College plans and manages its activities to remain sustainable and financially viable. A College is being managed on a sustainable basis if, year on year, it generates sufficient income to cover its costs and allow for maintenance of and investment in its infrastructure (physical, human and intellectual) at a level which enables it to maintain adaptive capacity necessary to meet future demands
  - The College has a sound system of internal management and control, including an audit committee, an effective internal audit service, and adequate procedures to prevent fraud or bribery
  - The College has an effective policy of risk management and risk management arrangements
  - The College has regular, timely, accurate and adequate information to monitor performance and account for the use of public funds. Such information will be made available to the Regional Strategic Body on request, as necessary, for the exercise of its functions and to gain assurance
  - The College is engaged actively in continuously enhancing the quality of its activities and involves students and other stakeholders in these processes
20. As well as being accountable directly to the governing body for the proper conduct of the College's affairs, the chief executive officer is also accountable directly to the Regional Strategic Body's Chief Officer for the College's proper use of funds deriving from the Regional Strategic Body and its compliance with the requirements of this FM.
21. The chief executive officer of the College must inform the Regional Strategic Body's Chief Officer without delay of any circumstance that is having, or is likely to have, a significant adverse effect on the ability of the College to deliver its education programmes, and other related activity, including delivery

of its commitment to the Regional Outcome Agreement with SFC. He or she must also notify the Regional Strategic Body's Chief Officer of any serious weakness, such as a significant and immediate threat to the College's financial position, significant fraud or major accounting breakdown or any material non-compliance with any requirement of this FM.

### **The SFC's governance requirements of the Regional Strategic Body**

22. The SFC must be able to rely on the whole system of governance, management and conduct of the Regional Strategic Body to safeguard all funds of the Regional Strategic Body deriving from the Scottish Ministers and achieve the purposes for which those funds are provided.
23. The SFC requires the Regional Strategic Body to comply with the principles of good governance set out in the Code of Good Governance for Scotland's Colleges.

### **Revisions to the Financial Memorandum**

24. The Regional Strategic Body will make changes to the requirements of this FM only after consulting the SFC, the College, its representative bodies and other relevant stakeholders. The Regional Strategic Body will review the FM on a regular basis to ensure compliance with new legislation, statutory guidance and any relevant changes to sector policy.

## **Part 2: General requirements**

1. Unless otherwise stated, the following general requirements apply to the College.

### **Financial Memorandum**

2. It is a term and condition of grant payment from the Regional Strategic Body that the governing body of the College and its designated officers comply with the requirements set out in this FM.

### **Post-16 Education Body criteria**

3. In undertaking its functions, the governing body must keep under review and have in place satisfactory provision in relation to the list of matters set out in section 7 (2) of the 2005 Act, as amended by the Post-16 Education (Scotland) Act 2013.

### **Outcome Agreement**

4. The College must deliver its commitment to the Regional Outcome Agreement with SFC.

### **Payment of Strategic, Capital or other Grants**

5. Where the Regional Strategic Body makes a payment to the College of a Strategic, Capital or other grant, the College will be required to comply with any additional requirements attached to the grant, as well as with this FM.

### **Changes to grant payments**

6. If the Scottish Ministers revise their payment of grant to SFC, then SFC reserves the right to make in-year adjustments to its payment of grant to the Regional Strategic Body. If this is the case, SFC and the Regional Strategic Body may renegotiate the Regional Strategic Body's Outcome Agreement. The Regional Strategic Body should, where practicable, consult the Colleges on any renegotiation to the Outcome Agreement. Consequently if the SFC revises its payment of grant to the Regional Strategic Body, then the Regional Strategic Body reserves the right to make in-year adjustments to its payment of grant to the College.

### **Repayment of grant**

7. If the College fails to comply with the requirements of this FM, and any other specific terms and conditions attached to the payment of grant from the Regional Strategic Body, it may be required to repay the Regional Strategic Body any sums received from it and may be required to pay interest in respect

of any period during which a sum due to the Regional Strategic Body in accordance with this or any other condition remains unpaid.

8. If, in the reasonable opinion of the Regional Strategic Body, any provision set out in this FM is not observed by the College, the Regional Strategic Body will be entitled, in respect of the payment of grant from the Regional Strategic Body:
  - In the case of funding by way of grant: to require immediate repayment of any and all grants or any part or parts of any grants at any time after the Regional Strategic Body becomes aware of such failure to observe (without prejudice to further demands until the whole of all sums made available by way of grant shall have been paid in full)
  - In the case of funding by way of loan (notwithstanding the terms of any agreement attached to the same): to require immediate repayment of the whole or part of each such loan at any time after the Regional Strategic Body becomes aware of such failure to observe (without prejudice to further demands until the whole of all sums made available by way of loan shall have been repaid in full).

#### **Public sector pay policy**

9. The College must have regard to public sector pay policy set by the Scottish Ministers.

#### **Tuition fees**

10. Where applicable, the College must charge student tuition fees at the levels set by the Scottish Ministers under either the Student Fees (Specification) (Scotland) Order 2006 or the Student Fees (Specification) (Scotland) Order 2011, whichever is applicable.<sup>1</sup> However:
  - the tuition fee levels set by the Scottish Ministers under the student Fees (Specification) (Scotland) Order 2006 do not apply to students who do not have a relevant connection with the United Kingdom and Islands or are not excepted students within the meaning of the Education (Fees and Awards) (Scotland) Regulations 2007; and
  - The tuition fee levels set by the Scottish Ministers under the Student Fees (Specification) (Scotland) Order 2011 do not apply to students who do not have a relevant connection with Scotland or are not excepted students within the meaning of the Education (Fees) (Scotland) Regulations 2011, but any tuition fees charged to students from the rest of the United Kingdom must not exceed £9,000 per year<sup>2</sup>.

<sup>1</sup> The level of tuition fees in 2014-15 for full-time undergraduate first degree students is £1,820. The same fee applies for PGDE and PGDipCE courses. A higher medical fee £2,895 applies only to continuing students. For full-time higher education courses at sub-degree level, a fee of £1,285 should be charged.

<sup>2</sup> At the moment, this £9,000 limit is not set by legislation but will be once an order is made under section 9D of the Further and Higher Education (Scotland) Act 2005 (as inserted by the Post-16 Education (Scotland) Act 2013.)

### **Disposal of exchequer funded assets**

11. In disposing of exchequer funded assets, the College must follow the guidance in the relevant procedure notes on the SFC website as amended from time-to-time.

### **Student activity**

12. Where appropriate, the College must provide data returns requested by the SFC by the deadlines and to the standards specified. SFC's Student Activity Data Guidance for Colleges can be found on the SFC website.

16. The Audit Committee must produce an annual report to the governing body of the College.

### **Accounts direction**

17. The College must follow the SFC's current Accounts Direction in the preparation of its annual financial statements.

### **Internal audit**

18. The College must have in place an effective internal audit service. The operation and conduct of the internal audit service should conform to the professional standards of the Chartered Institute of Internal Auditors. For incorporated colleges, the operation and conduct of internal audit must comply

with Public Sector Internal Audit Standards and, where relevant the SPFM. The College must inform the Regional Strategic Body when an internal auditor is appointed and must inform the Regional Strategic Body immediately if the internal auditor is removed or departs before the end of their term of office.

19. The internal audit service must provide the governing body and senior management of the College with an objective assessment of adequacy and effectiveness of risk management, internal control, governance, and value-for-money.
20. The internal audit service must extend its review over all the financial and other management control systems, identified by the audit needs assessment process. It must cover all activities in which the College has a financial interest, including those not funded by the Regional Strategic Body. It must include review of controls – including investment procedures – that protect the College in its dealings with organisations, such as subsidiaries or associated companies, Arms-Length Foundations, students’ associations, and collaborative ventures or joint ventures with third parties.
21. The head of internal audit must produce an annual report for the governing body on its activities during the year. The report must include an opinion on the adequacy and effectiveness of the College’s risk management, internal control, and governance. The report must be presented to the institution’s audit committee and a copy sent to the Regional Strategic Body.

### **Value for money**

22. The College must have a strategy for reviewing systematically management’s arrangements for securing value for money.
23. As part of its internal audit arrangements, the College must obtain a comprehensive appraisal of management’s arrangements for achieving value for money.

### **External Audit**

24. They must also be entitled to attend any such meeting and to be heard at any meeting which they attend, on any part of the business which concerns them as auditors.
25. The external auditor must also be entitled to attend the meeting of the governing body or other appropriate committee at which the College’s annual report and financial statements are presented.  
The external auditor is expected to attend, as a minimum, any meetings of the audit committee where relevant matters are being considered, such as

planned audit coverage, the audit report on the financial statements and the audit management letter. It is the responsibility of the secretary to the audit committee to notify the external auditor of such meetings.

26. The external auditors, notwithstanding responsibilities to their clients, are expected to co-operate fully with any enquiries or routine monitoring that the Regional Strategic Body undertakes.
27. The institution must not in any way limit the Regional Strategic Body's access to the College's external auditors.

### **Part 3: Additional requirements for incorporated colleges**

1. The following additional requirements apply to incorporated colleges.

#### **Scottish Public Finance Manual**

2. The College must follow the requirements of the Scottish Public Finance Manual (SPFM) except where any special actions or derogations have been agreed with the Scottish Ministers.
3. The derogations and actions in the following paragraphs have been agreed with the Scottish Ministers and must be read in conjunction with the SPFM. Where reference is made to the SPFM, please refer to the relevant section for the detailed requirements.
4. In cases where the SPFM requires bodies to notify or request prior approval from the Scottish Government or SFC, the College must, in the first instance, contact the Regional Strategic Body.

#### **Borrowing**

5. All borrowing by the College will require the approval of the Scottish Ministers. Requests to borrow must be submitted, through the Regional Strategic Body, to the SFC in the first instance.

#### **Cash management and banking**

6. Grant payment will not be made in advance of need, as determined by the level of unrestricted cash reserves and planned expenditure. Unrestricted cash reserves held during the course of the year must be kept to the minimum level consistent with the efficient operation of the institution and the level of funds required to meet any relevant liabilities at the year-end. Grant-in-aid not drawn down by the end of the financial year shall lapse. Grant-in-aid must not be paid into any restricted reserve held by the institution. Transfers to arms-length-foundations are permitted.
7. Banking arrangements should ensure they offer best value and comply with the Banking section of the SPFM. The Scottish Ministers have approved a derogation which delays the move to the Government Banking Service (GBS) to 2016-17 at the earliest.
8. The College may extend existing banking arrangements, provided they are not extended beyond Financial Year 2016-17. Any extension beyond Financial Year 2016-17 requires the agreement of the Scottish Ministers.

9. The College can operate bank overdraft facilities to assist it in managing the timing of income and expenditure through its bank account. Overdrafts should not be used as a means of increasing borrowing.

### **Contingent commitments**

10. The College must seek, through the Regional Strategic Body, SFC's prior written consent if it intends to lend or give a guarantee, indemnity or letter of comfort. The value of the guarantee should be equal to the total contingent liability over the term of the guarantee. In all cases, the College must take steps to restrict the contingent liability to a minimum and should undertake a careful appraisal of the risks before accepting any contingent liability.
11. The College should also provide assurance that, in the event of the contingent liability arising, it can be met from within the College's own resource, or that appropriate insurance cover has been arranged.
12. However, SFC's written consent is not required for such arrangements if the indemnity is of a standard type contained in contracts and agreements for 'day-to-day' procurement of goods and services in the normal course of business; or

### **Delegated financial limits and annual reporting requirements**

13. The College's specific delegated financial limits are set out in **Appendix A**. The College must obtain, through the Regional Strategic Body, SFC's prior written approval before entering into any undertaking to incur any expenditure that falls outwith these delegations.
14. Prior SFC approval, through the Regional Strategic Body, must always be obtained before incurring expenditure for any purpose that is, or might be considered, novel, contentious or repercussive or which has or could have significant future cost implications.
15. What might be regarded as novel or contentious inevitably involves a degree of judgement. Novel would include proposed expenditure or financial arrangements of a sort not undertaken previously or which is not standard practice. Contentious would include proposed expenditure or financial arrangements where there was any doubt as to its regularity – for example, its compliance with relevant legislation or guidance – or its propriety – for example, compliance with the standards expected of publicly funded bodies or their officials. Proposed expenditure or financial arrangements that might be considered to be sensitive politically would also be regarded as contentious.
16. In addition, any frauds that are detected must be reported, through the Regional Strategic Body, to SFC as and when they occur.

17. The College must establish appropriate documented internal delegated authority arrangements consistent with the Delegated Authority section of the SPFM and this FM.
18. **Appendix A** also sets out the levels for certain categories of expenditure above which the College must report annually to the Regional Strategic Body and to SFC. The report should describe the number of instances and total cost, by category of expenditure.

### **Duties to provide information on certain expenditure as required by The Public Services Reform (Scotland) Act 2010**

19. As soon as is reasonably practicable after the end of each financial year, the College must publish a statement of any expenditure that it has incurred during that financial year on or in connection with the matters described below.
  - Public relations
  - Overseas travel,
  - Hospitality and entertainment,
  - External consultancy.
20. As soon as is reasonably practicable after the end of each financial year, the College must publish a statement specifying the amount, date, payee and subject-matter of any payment, relating to any of the matters listed above, made during that financial year which has a value in excess of £25,000.

### **Early departures of staff**

21. The College must follow the requirements of the SPFM in determining settlement agreements, severance, early retirement and redundancy arrangements and payments. In addition, the College must have regard to the principles of good practice in managing early departures of staff contained in Audit Scotland's May 2013 report: Managing early departures from the Scottish public sector.
22. In line with the requirements of the SPFM, the College's severance scheme must be approved, through the Regional Strategic Body, by SFC. Provided a severance payment is within the parameters of a scheme, which has been approved by the SFC, there will be no need for the institution to seek approval to the individual payment from SFC.
23. However, special severance payments in excess of £1,000 must be approved, through the Regional Strategic Body, by SFC, except where provision for such payments has been included in a severance scheme approved by SFC. (See Appendix A)

### **External business and management consultancy contracts**

24. Any external consultancy contracts with a value of more than £100,000 must be approved in advance, through the Strategic Body, by the SFC.

### **Impairments, provisions and write-offs**

25. Assets must be recorded in the Balance Sheet at Depreciated Replacement Cost for Land and Buildings and at Historic Cost less depreciation for Equipment in accordance with the Financial Reporting Manual (FRM). Where an asset, including investments, suffers impairment, it is important that the prospective impairment and background is communicated, through the Regional Strategic Body, to the SFC at the earliest possible point in the financial year to determine the budget implications. Any significant movement in existing provisions or the creation of new provisions must be discussed, through the Regional Strategic Body, with the SFC.
26. Write-off of bad debt and/or losses score against resource Departmental Expenditure Limits (DEL).

### **Income generation**

27. The College will be able to retain all commercial income, gifts, bequests or donations received. These funds will be in addition to any grant or funding the institution receives from the Regional Strategic Body.

### **Insurance**

28. The Scottish Ministers have agreed a derogation whereby colleges can extend their current commercial insurance arrangements for three years to 31 July 2018. For the avoidance of doubt this derogation does not apply to the City of Glasgow College's NPD Project for which separate insurance arrangements have been agreed beyond 31 July 2018.

### **Investments**

29. The College must not make any investments of a speculative nature without the prior written approval, through the Regional Strategic Body, of SFC.

### **Procurement and payment**

30. The College's procurement processes must reflect the relevant guidance contained in the Advanced Procurement for Universities and Colleges, and relevant policy and advice issued by the Scottish Procurement Directorate. Procurement must be undertaken by appropriately trained and authorised staff and treated as a key component of achieving the institution's objectives consistent with the principles of Best Value, the highest professional standards and any legal requirement.

31. Any proposal to award a contract without competition (non-competitive action) must be approved, through the Regional Strategic Body, in advance by SFC. Specific delegated authority is given to award a contract without competition for £25,000 or less without advance approval. (See Appendix A)

**Transfer of surplus funds to arms-length foundations**

32. The College may transfer any surplus on its income and expenditure account as at 31 March each year to its arms-length foundation. This transfer must take place in the financial year in which it arises, and is subject to sufficient cash and resource cover being available.

Eighth page ('page 5'), Number 3	I don't think this restriction is possible. The SFC has confirmed to GCRB that the FM has a wider remit than just the funds derived from the SFC - it's about a wholesale governance approach. In which case, GCRB cannot restrict its FM with the Colleges.	<p>Paragraph 5 is clear that GCRB's accountability is restricted to the use of public funds provided by SFC. This mirrors a similar clause in the FM between SFC and GCRB.</p> <p>However, it is the case that, in order to be assured about the proper management of these public funds, GCRB need to place reliance on the "whole system of governance, management and conduct" (per Part 1, paragraph 18 of the FM). Again, this mirrors a similar paragraph in the FM between SFC and GCRB.</p> <p>This 'approach' has operated for many years in the financial memoranda between SFC and all the educational bodies it funds (including all the universities). In essence, it makes a distinction between:</p> <ul style="list-style-type: none"> <li>• the accountability to GCRB and SFC is only for activity supported by funds derived from SFC; and</li> <li>• how that accountability is delivered is by placing reliance on the college's whole system of control.</li> </ul> <p>Therefore, even though that whole system of control also 'controls' activity that is not supported by funds deriving from SFC, that does not mean that the college is also accountable to GCRB for such 'other' activity.</p> <p>The wording in the draft FM is consistent with the foregoing and therefore I don't think it needs to be changed.</p>

Eighth page ('page 5'), Numbers 4, 5 and 6	<p>General point : the FM and the 2005 Act are not the same in scope and we are at risk of representing that they are. The 2005 Act, as amended, has two tests for consultation and, as a minimum, I suggest reflecting both. We also have to recognise that GCRB's hands may be tied on this by SFC's actions.</p> <p>Insertion of "or reasonable" and "or where required to do so as a result of actions or directions of the SFC".</p>	<p>Agreed we need to avoid inventing new tests.</p> <p>The 2005 Act Section 23M's "where it considers it appropriate to do so" is covered by the FM Part 1, paragraph 4's "except where it considers that it is not expedient to do so".</p> <p>The Act does not include "or reasonable" and the sentiment seems to be covered by the 'expedient' phrase.</p> <p>Apart from in paragraph 10 of Schedule 2B to the 2005 Act (in relation to GCRB's staffing), it doesn't appear that SFC is able to issue GCRB with 'directions'. More broadly, it is unlikely that another body's 'requirements' would allow GCRB to avoid its statutory consultation obligations on its own (unless the general exception applies).</p> <p>Consequently, the current draft wording probably does not need to be changed.</p>
Tenth page ('page 7'), Numbers 1 to 3	This all has to be without prejudice to GCRB's duties, responsibilities and powers under the 2005 Act, which are wider than the FM.	<p>This is true and, of course, the FM is subservient to the legislation. And GCRB's legislative powers and responsibilities are acknowledged in Part 1, paragraph 3 of the FM.</p> <p>We therefore probably don't need to insert a specific qualification.</p>

Tenth page ('page 7'), Numbers 4 and 5	I think a reciprocal statement of this nature would be appropriate in the following section discussing expectation of the Colleges.	<p>There would certainly be merit in such a 'mirroring' statement.</p> <p>The genesis of this 'partnership' provision goes back ten years when colleges and universities were concerned that the FM was all 'one way' in that there were no obligations on SFC. And from that was developed the original 'What the institution can expect ....' section. However, re-looking at this section would probably have to be linked to an examination of other sections in a similar vein. This is therefore probably one to note for a future review of the FM, rather than opening up at this stage.</p>
Tenth page ('page 7'), Numbers 6 to 8	<p>Insert "endeavour to".</p> <p>Reason for additional text: While this is a reasonable request, the ability to provide this notice may not always be under the GCRB's control, particularly as this obligation is not reflected one step up in the SFC-GCRB FM.</p> <p>ALSO -is most appropriate place for this in para 6 of Part 2. which deals with this particular matter?</p>	<p>The suggested insertion makes sense. However, the use of "reasonable" probably provides enough leeway to allow for specific circumstances.</p> <p>Therefore, unless we are proposing several 'non-trivial' changes, this insertion is not necessary right now.</p> <p>With regard to location, it's actually paragraph 6 of Part 2 that's arguably in the wrong place (since that paragraph is an obligation on GCRB and Part 2 is about requirements on the colleges). However, since this is a standard document, we can probably live with that in the interests of sector-wide consistency.</p>

<p>Twelfth page ('page 9'), Numbers 1 and 2.</p>	<p>Deletion of paragraphs 22 and 23.</p> <p>It is not relevant or appropriate for these paras to be included in this form. They refer to an accountability matter between the SFC and GCRB. If the intention is to insert back-to-back statements, in line with previous insertions, then the parties would be changed to reflect GCRB &amp; College appropriately.</p>	<p>It does appear that these paragraphs are not logical.</p> <p>It seems they were inserted during the drafting of the document. However, the reason was <b>not</b> to “insert back-to-back statements”. Rather, the aim was to reflect acknowledgement that the whole system of GCRB’s governance would be relied on by SFC and that GCRB would be complying with the Code of Good Governance for Scotland’s Colleges.</p> <p>Strictly speaking, it is also the case that these paragraphs are unnecessary, since these matters are already requirements on GCRB via the FM between SFC and GCRB.</p> <p>However, since these paragraphs simply reflect the provisions of the FM between SFC and GCRB, they can remain in the interests of reaching an agreed overall position.</p>
<p>Twelfth page ('page 9'), Numbers 3 to 5.</p>	<p>Replace 'ensure' with 'monitor'.</p> <p>This has operational and costs implications for the GCRB which I do not believe are appropriate at this point in time. Also, how does this fit in with the SFC-GCRB FM?</p>	<p>The statement about regularly reviewing the FM was inserted during the drafting process (and there is no equivalent statement in the FM between SFC and GCRB).</p> <p>'Ensure' is potentially a very onerous test, although in practice the commitment is to regularly review. We will aim to seek agreement of the change from 'ensure' to 'monitor' as a 'minor adjustment'.</p>

Twelfth page ('page 9'), Numbers 5 and 6.	<p>Insert “The College will share any concerns on such compliance matters with the Regional Strategic Body as it becomes aware of them”.</p> <p>The additional sentence is inserted to reflect the partnership model.</p>	This is a sensible suggestion. However, this is probably another one to note for a future review of the FM, rather than addressing at this stage.
Thirteenth page ('page 10'), numbers 1 and 2.	Replace “Regional Strategic Body’s Outcome Agreement” with “Glasgow Regional Outcome Agreement”.	This makes sense as it reflects how the ROA is referred to in practice. We will seek agreement to this change as a ‘minor adjustment’.
Thirteenth page ('page 10'), number 4.	Change “Outcome Agreement” to “Glasgow Regional Outcome Agreement”.	Again, this makes sense as it reflects how the ROA is referred to in practice. We will seek agreement to this change as a ‘minor adjustment’.
Thirteenth page ('page 10'), number 3 and 5.	Change the beginning of the final sentence of paragraph 6 from “Consequently, if the SFC revises ...” to “If the SFC revises ...”.	“Consequently” does not appear to be logically correct and therefore we will seek agreement to this change as a ‘minor adjustment’.
